Online Library Animal Alterity Science Fiction And The Question Of The Animal

Animal Alterity. Book Description: Animal
Alterity uses readings of science fiction
texts to explore the centrality of animals
for our ways of thinking about human. It
argues that the academic field of animal
studies and the popular genre of science
fiction share a number a critical concerns:
thinking about otherness and the nature of
human being; desiring communication across
species difference; and interrogating the
social and ethical consequences of changes in
science and technology.
