Blaming - Idioms by The Free Dictionary

Blame represents the world in a particular way and when it ceases to represent it accurately, it is good to cease blaming. Susan Wolf calls this the value of "living in accordance with the facts." (16) It is arguably one of the goods sacrificed by plugging into the Experience Machine. OPPRESSION, FORGIVENESS, AND CEASING TO BLAME

77 Blaming Quotes - Inspirational Quotes at BrainyQuote  
Regardless of its causes, thoughtlessly blaming the present is a weakness which, even if it is never outlawed, ought to be resisted. Though commonly flaunted as a sign of sophistication, it can be an opportunity for one-upmanship and an excuse for misanthropy, especially against the young. Votes: 1

She asked for it. She was flirting. She was drinking. She was wearing a revealing dress. She was too confident. She walked home alone. She stayed in that relationship. She was naïve. She didn't report soon enough. She didn't fight back. She

wanted it. She lied about it. She comes from a bad area. She was vulnerable. She should have known. Victim blaming of women is prevalent and normalised in society. What causes us to blame women who have been abused, raped, trafficked, assaulted or harassed by men? Why are we uncomfortable with placing all of the blame on perpetrators for their crimes against women? Based on three years of doctoral research and ten years of practice with women and girls, Dr Jessica Taylor explores the many reasons we blame women for male violence committed against them. Written in her unique style and backed up by decades of evidence, this book exposes the powerful forces in society and individual psychology which compel us to blame women subjected to male violence.

Argues that blame assignment is an unnecessary and counter-productive habit of human communication, outlining recommendations for avoiding blaming behaviors while enabling positive changes that involve shared accountability. By the author of Emotional Bullshit. Original. 15,000 first printing.

The classic work that refutes the lies we tell ourselves about race, poverty and the poor. Here are three myths about poverty in America: – Minority children perform poorly in school because they are “culturally deprived.” – African-Americans are handicapped by a family structure that is typically unstable and matriarchal. – Poor people suffer from bad health because of ignorance and lack of

interest in proper health care. Blaming the Victim was the first book to identify these truisms as part of the system of denial that even the best-intentioned Americans have constructed around the unpalatable realities of race and class. Originally published in 1970, William Ryan's groundbreaking and exhaustively researched work challenges both liberal and conservative assumptions, serving up a devastating critique of the mindset that causes us to blame the poor for their poverty and the powerless for their powerlessness. More than twenty years later, it is even more meaningful for its diagnosis of the psychic underpinnings of racial and social injustice.

Why fears about Muslim integration into Western society—propagated

opportunistically by some on the right—misread history and misunderstand multiculturalism. In the United States and in Europe, politicians, activists, and even some scholars argue that Islam is incompatible with Western values and that we put ourselves at risk if we believe that Muslim immigrants can integrate into our society. Norway's Anders Behring Breivik took this argument to its extreme and murderous conclusion in July 2011. Meanwhile in the United States, state legislatures' efforts to ban the practice of Islamic law, or sharia, are gathering steam—despite a notable lack of evidence that sharia poses any real threat. In *Blaming Islam*, John Bowen uncovers the myths about Islam and Muslim integration into Western society, with a focus on the histories,
