Combat and prevent the effects of burnout with a detoxifying and nourishing cleanse program that liberates your body from poisons that make you sick, tired, and overweight—from the New York Times bestselling author of Dr. Kellyann's Bone Broth Diet and The 10-Day Belly Slimdown Whether from stressful times like the holidays or from the demands of your regular routine, your body naturally becomes depleted over time, making it even more difficult to lose weight and maintain the energy and vitality you need to get through the day. This is something Dr. Kellyann Petrucci experienced firsthand in 2017 while she was writing her last book, doing nonstop TV appearances, and running her business. She gained 20 pounds, her hormones went haywire, and she was at a loss for how to turn things around. She decided it was time to hit the reset button and created her simplest plan yet, specifically designed to help the millions of women who are overweight, overworked, and overextended get reenergized both physically and mentally. This is a comfortable, incredibly powerful 5-day cleanse protocol that resets your metabolism, giving you the kind of quick, confidence-boosting results you need to get back on a healthy track. The power ingredient in the Cleanse and Reset is collagen, which improves skin elasticity and brings back that coveted youthful glow, eases joint pain, heals leaky gut, supports weight management, and has anti-inflammatory properties. The healing and reparative smoothies, shakes, soups, and bone broth blends that you'll enjoy on the 5-day cleanse are packed with collagen and can be adapted to any diet, with a focus on modifying the cleanse for the keto diet (along with great collagen alternatives for vegetarians and vegans!). The program also includes an optional 1-day "keto push" that you can follow for an extra boost the day before you begin your cleanse. Dr. Kellyann's Cleanse and Reset will help you slim your body, deep-cleanse your cells, and reclaim your energy and focus so you can start feeling truly good again. Praise for Dr. Kellyann's Cleanse and Reset "If you are feeling tired, unhealthy, and emotionally burned-out and want a fresh way to rejuvenate, Kellyann has a message for you: she's been where you are. And she knows the way out."—Mehmet Oz, MD "Dr. Kellyann Petrucci has done a terrific job bringing the science of detoxification to the table. This is a top-notch way to deal with the multiple toxic challenges posed by our modern world."—David Perlmutter, MD, #1 New York Times bestselling author of Grain Brain and Brain Wash

What was once known as your grandmother's miracle cure for a cold or the flu is now the most popular food trend. The oldest of recipes dating back to prehistoric times and one of the cornerstones of the Paleo Diet, bone broth is made from the boiled bones of beef, poultry, or fish. This mineral-rich liquid has been praised for its gifts of immune support, digestive health, and joint strength along with beauty-enhancing qualities of strengthening hair and nails and reducing acne-causing inflammation. The Bone Broth Miracle details everything you need to know about the many health benefits of this miracle soup. Along with information about the history and varieties of broth, this book also contains forty-nine easy-to-follow recipes for your daily dose of nutrients: calcium, amino acids, collagen, magnesium, potassium, and minerals, among others. Once you're able to prepare your own broth, you'll join thousands of others worldwide who have fallen in love with that clear, bright favor that only comes from high-quality and fresh ingredients. Skyhorse Publishing, along with our Good Books and Arcade imprints, is proud to publish a broad range of cookbooks, including books on juicing, grilling, baking, frying, home brewing and winemaking, slow cookers, and cast iron cooking. We've been successful with books on gluten-free cooking, vegetarian and vegan cooking, paleo, raw foods, and more. Our list includes French cooking, Swedish cooking, Austrian and German cooking, Cajun cooking, as well as books on jerky, canning and preserving, peanut butter, meatballs, oil and vinegar, bone broth, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

In this beautiful 4-colour book, bestselling author Louise Hay and health consultant Heather Dane revive one of the oldest healing forms of nourishment - bone broths. Louise and Heather show how you can use this simple, effective and almost effortless tool to boost your health, energy and radiance. Whether you're a complete beginner or an expert in bone broths, the book will teach you practical tips on straining, skimming and conserving. Taking into account our busy modern way of life, Louise and Heather will also show you how to make broths on a budget, and how to incorporate bone broth into our existing diet and lifestyle. The book includes 50 delicious recipes as well as ideas of what else can be made with broth, such as soups, compotes and even dessert! Yet the most important things that you will take away from this book is what is unique to all of Louise's teachings: listening to your body to create recipes that nourish exactly what you need, and infusing your food with love and affirmations to enhance its flavour and healing properties. These are invaluable tools for all types of cooking and for healthy living. Prepare for one of the most powerful and simplest health transformations of your life!
