The first graphic novel guide to growing a successful raised bed vegetable garden, from planning, prepping, and planting, to troubleshooting, care, and harvesting. "A fun read packed with practical advice, it's the perfect resource for new gardeners, guiding you through every step to plant, grow, and harvest a thriving and productive food garden."—Joe Lamp'l, founder and creator of the Online Gardening Academy Like having your own personal gardening mentor at your side, *The Comic Book Guide to Growing Food* is the story of Mia, an eager young professional who wants to grow her own vegetables but doesn't know where to start, and George, her retired neighbor who loves gardening and walks her through each step of the process. Throughout the book, "cheat sheets" sum up George's key facts and techniques, providing a handy quick reference for anyone starting their first vegetable garden, including how to find the best location, which vegetables are easiest to grow, how to pick out the healthiest plants at the store, when (and when not) to water, how to protect your plants from pests, and what to do with extra produce if you grow too much. If you are a visual learner, beginning gardener, looking for something new, or have struggled to grow vegetables in the past, you'll find this unique illustrated format ideal because many gardening concepts--from proper planting techniques to building raised beds--are easier to grasp when presented visually, step by step. Easy and entertaining, *The Comic Book Guide to Growing Food* makes homegrown vegetables fun and achievable.

When Cooper, a biracial Korean-American boy, feels uncomfortable trying to speak Korean in Mr. Lee's grocery, his bad behavior eventually leads to a change in his attitude.

"'Macgyver' created by Lee David Zlotoff."--T.p. verso.

"Food can be a unifier and a healer, bringing people together across generations and cultures. Sharing a meal often leads to sharing stories and deepening our understanding of each other and our respective histories and practices, global and local. Newcomers to Minnesota bring their own culinary traditions and may re-create food memories at home, introduce new friends and neighbors to their favorite dishes, and explore comforting flavors and experiences of hospitality at local restaurants, community gatherings, and spiritual ceremonies. They adapt to different growing seasons and regional selections available at corner stores and farmers markets. And generations may communicate through the language of food in addition to a mix of spoken languages old and new. All of these experiences yield stories worth sharing around Minnesota cook fires, circles, and tables. In *What We Hunger For*, fourteen writers from refugee and immigrant families write about their complicated, poignant, funny, difficult, joyful, and ongoing relationships to food, cooking, and eating" --

In this provocative book, sixteen of Minnesota's best writers provide a range of perspectives on what it is like to live as a person of color in one of the whitest states in the nation. They give readers a splendid gift: the gift of touching another human being's inner reality, behind masks and veils and politeness. They bring us generously into experiences that we must understand if we are to come together in real relationships. Minnesota communities struggle with some of the nation's worst racial disparities. As its authors confront and consider the realities that lie beneath the numbers, this book provides an important tool to those who want to be part of closing those gaps. With contributions by: Taiyon J. Coleman, Heid E. Erdrich, Venessa Fuentes, Shannon Gibney, David Grant, Carolyn Holbrook, IBé, Andrea Jenkins, Robert Karimi, JaeRan Kim, Sherry Quan Lee, David Mura, Bao Phi, Rodrigo Sanchez-Chavarria, Diane Wilson, Kao Kalia Yang

Elias Chatzoudis is an artist of boundless talent and imagination whose work hits that very sweet spot between cartoony and realistic. His pin-up girl illustrations display cheeky charm and sultry passion in equally abundant portions! This book contains all-new paintings designed to raise eyebrows and room temperatures!

follow in life begins with these two simple words: I AM. This portable devotional will help you transform your self-image and help you invite the right things into your life with daily readings and insights from The Power of I Am. If you have a powerful I AM, you will carry yourself with a quiet confidence. It's time to stop criticizing yourself, and instead discover your inner strengths, your natural talents, and unique abilities that will make you prosper with self-assurance and success, every single day.

In Volume 5, the Spinnyverse gets a little meta- from dream controlling villains to the Multiverse-spanning Editor, it's bound to get a little weird! Inspired by our favorite classic comics, this volume of Spinnerette contains the complete Silver Age crossover arc and the second part of the Canadian arc. Crisis on a Bunch of Ohios will be 132 pages and includes a bonus Silver Age Spinnerette story featuring the origin of Silver Age Evil Spinnerette!

“He’s a smart little mother\*\*\*\*\*,I’ll give him that.” –KEITH RICHARDS on MICK JAGGER IS he Jumpin’ Jack Flash? A Street Fighting Man? A Man of Wealth and Taste? All this, it turns out, and far more. By any definition, Mick Jagger is a force of nature, a complete original—and undeniably one of the dominant cultural figures of our time. Swaggering, strutting, sometimes elusive, always spellbinding, he grabbed us by our collective throat a half-century ago and—unlike so many of his gifted peers—never let go. For decades, Mick has jealously guarded his many shocking secrets—until now. As the Rolling Stones mark their 50th anniversary, journalist and #1 New York Times bestselling author Christopher Andersen tears the mask from rock’s most complex and enigmatic icon in a no-holds-barred biography as impossible to ignore as Jagger himself. Based on interviews with friends, family members, fellow music legends, and industry insiders—as well as wives and legions of lovers—MICK sheds new light on a man whose very name defines an era and candidly reveals: –New details about Jagger’s jaw-dropping sexual exploits with more than four thousand women (including Madonna, Angelina Jolie, Carly Simon, Linda Ronstadt, Uma Thurman, and France’s First Lady Carla Bruni)—as well as his encounters with several of rock’s biggest male stars. Also, the day Mick’s wife Jerry Hall and Keith Richards pleaded with Jagger to seek treatment for sex addiction. –The backstage drama surrounding Mick’s knighthood, and Jagger’s little-known ties to Britain’s Royal Family, including Prince William and Kate Middleton. –What he really thinks of today’s superstars—including Lady Gaga, Britney Spears, Beyoncé, Justin Timberlake, Kanye West, and Justin Bieber. –Never-before-revealed, behind-the-scenes accounts of his often turbulent relationships—from his band-mates, ravenous groupies, and rabid fans to such intimates as Andy Warhol, John Lennon, Jackie Onassis, Bill Clinton, and others. –Cocaine, LSD, hashish, and speed—the flabbergasting truth about the extent of Jagger’s substance abuse, and how long it really went on. –A rare glimpse into Mick’s business

dealings and the killer instinct that has enabled him to amass a personal fortune well in excess of \$400 million. —The stormy “marriage” between Mick and Keith that nearly ran aground over Keith’s searing comments—and all the scandal, mayhem, excess, madness, and genius that went into making the Rolling Stones “the world’s greatest rock-and-roll band.” Like its subject, this book is explosive and riveting—the definitive biography of a living legend who has kept us thrilled, confounded, and astounded. THIS IS MICK.
