patrons, printers, booksellers, and readers of a huge range of texts, proving that women were central to the processes of making and manufacture that brought us some of our most famous literature. Drawing together a broad range of sources, from letters and diaries to plays and poetry, Smith's book is highly interdisciplinary, and promises to be of interest not only to literary scholars but to historians of the early modern period and of the book, textual scholars and bibliographers.

Jess Anderson is a painter.

She is a collector, a connoisseur of colors. Early in her life, she dreamed of painting fine art, but circumstances blocked that path. Now, she paints houses. When Jess is hired to paint Mrs. Au's house, she experiences an incredible week ; listening to the old Chinese lady's stories of her life in China and reexamining the choices that have molded her own life. By the time the house is painted, Jess finds that her own life is completely changed.

her. Silence and smiles hide the pain that Nell is keeping to herself. Sarah's dreams of having a family seem hopeless. And then there's Shannon, who's in trouble at school yet again. But what these four women don't know is that someone - or something - is watching them. A much-recycled soul, suspended between one life and the next, realises that Vicky, Nell, Sarah and Shannon are embarking on their journey towards Motherhood. As memories from past incarnations return to this Soul, it becomes clear that one of these women will be chosen to guide it once more. Soul to take explores

past in the everyday lives of its people. In New Orleans family comes first. Corrine had always accepted her portion of responsibility for the care of her eighty-three year old twin aunts. They were the sweetest little old ladies imaginable. But, it would only take one fateful question to unravel the dark family secret of The Solomon Rose. Hidden below the prevailing atmosphere of Mardi Gras, the world class restaurants and the multitude of festivals is another culture which in many cases is enjoyed solely by the original inhabitants of the city. Through the
