PNTV: Happy Together by Suzann Pileggi Pawelski and James Pawelski (#398)*Flourish Martin Seligman Book Me*

This book will help you flourish - with this unprecedented promise, internationally esteemed psychologist Martin Seligman begins Flourish, his first book in ten years - and the first to present his dynamic new concept of what well-being really is. Traditionally, the goal of psychology has been to relieve human suffering, but the goal of the Positive Psychology movement, which Dr Seligman has ...

*Flourish: A New Understanding of Happiness and Well-Being ...*

I think Martin Seligman's approach to writing a part-memoir part-theoretical book is really appealing and is one of the reasons I remain engaged with such writings. I am fascinated by the concept of positive psychology and how it was not considered scientific enough to be taught in my highly renowned university degree 9 years ago, but that now it's being acknowledged as the credible theory ...
