readers through the significant differences between writing text to be read, and writing spoken English that will be heard. This book helps broadcast journalists at every stage of their careers to avoid newspaper-style 'journalese', clichés, jargon, and inaccurate grammar or pronunciation, while capturing the immediacy of the spoken word in creative broadcast news scripts. It also gives advice on providing concise online material for broadcasters' websites. Sections include:

- Practical advice on how to write accurately but conversationally
- How to cope with a dynamic English language, with new expressions and words changing their meanings
- Writing scripts that match the TV pictures, and use

teaches readers how to tap into their inner knowledge and use it to enhance their lives and attain their goals. Chapters explore the role of intuition in health, creativity, work, and prosperity. Exercises based on Shakti's workshops and seminars help readers listen to their inner guide but also evaluate the worthiness of such knowledge in the context of the real world. Stories from her clients and her own life illustrate the practical advice she gives.
