Mighty Lewd Books describes the emergence of a new home-grown English pornography. Through the examination of over 500 pieces of British erotica, this book looks at sex as seen in erotic culture, religion and medicine throughout the long eighteenth-century, and provides a radical new approach to the study of sexuality.

The Encyclopedia of Japanese Business and Management is the definitive reference source for the exploration of Japanese business and management. Reflecting the multidisciplinary nature of this field, the Encyclopedia consolidates and contextualises the leading research and knowledge about the Japanese business system and Japanese management thought and practice. It will be welcomed by scholar and student alike as an essential resource for teaching, an invaluable companion to independent study, and a solid starting point for wider exploration.
