MIDNIGHT EXPRESS II by Alfred Noyes II Part I

Midnight Express - Escape and ending*[Theme From] Midnight Express* *Kate Shelley and the Midnight Express: A Read-Aloud* *Midnight Express (1978) Official Trailer #1* **Midnight Express**

In Billy's Midnight Express book, he does not suffer the mental hardship and physical abuse as shown in the movie. In contrast, the book talks more about the filthy conditions at the prison, not Billy's decaying health, nor any issues with the people of Turkey.

Midnight Express (1978) - IMDb

Midnight Express is a 1978 prison neo noir drama film directed by Alan Parker, produced by David Puttnam and written by Oliver Stone, based on Billy Hayes' 1977 non-fiction book Midnight Express. It stars Brad Davis, Irene Miracle, Bo Hopkins, Paolo Bonacelli, Paul L. Smith, Randy Quaid, Norbert Weisser, Peter Jeffrey and John Hurt.

Midnight Express (film) - Wikipedia

Midnight Express,À follows the true story of Billy Hays, an American who was caught smuggling in Turkey. I believe that I should've felt more emotion during this movie, because it truly gives a...

Midnight Express (1978) - Rotten Tomatoes

Midnight Express is based on the true and vivid story of Billy Hayes, a young American sentenced in Turkey to 30 years of prison for a minor drug offence. He endures physical and emotional beatings which become a daily routine - until he realizes that unless he escapes... he will die!

"Midnight express" is a commonly used phrase amongst many of us who've lived in the remote parts of Turkey. Even now it's a sort of watch word for remembering to toe the line and avoid situations which might lead to incarceration. Billy Hayes' story has infiltrated its way into popular culture.

Midnight Express by Billy Hayes - Goodreads

"Midnight Express" has a vey adult theme and some scenes are shocking to watch, with the nasty prison guard taking out horrific acts of violence on the convicted. It's a strong prison drama, intelligently made. If you like films like "The Shawshank Redemption" about escaping from prisons, then you are sure to like this. This is a true story though, so the main bulk of events actually took ...

For Griff/Scorsese, we wanted to give you the ULTIMATE experience worthy of the Midnight Express, and the Making Towns Bundle is the EPITOME of that experience!

Midnight Express is a 1978 prison neo noir drama film directed by Alan Parker, produced by David Puttnam and written by Oliver Stone, based on Billy Hayes' 1977 non-fiction book Midnight Express. It stars Brad Davis, Irene Miracle, Bo Hopkins, Paolo Bonacelli, Paul L. Smith, Randy Quaid, Norbert Weisser, Peter Jeffrey and John Hurt. The film is based on the true story of Billy Hayes, an American who was caught smuggling in Turkey. It was a commercial success, winning two Academy Awards and a Golden Globe Award. The film is a classic example of the prison movie genre, and is considered one of the best prison movies ever made.

Midnight Express tells the gut-wrenching true story of a young man's incarceration and escape from a Turkish prison. A classic story of survival and human endurance, told with humor, honesty, and heart, it became a worldwide best-seller and the Academy Award-winning blockbuster film of the same name. In 1970 Billy Hayes was an English major who left college in search of adventures to write about, like his hero Jack London. He had a rude awakening when he was arrested at the airport in Istanbul trying to board a plane while carrying four pounds of hashish, and given a life sentence. After five brutal years, relentless efforts by his family to gain his release, and endless escape plotting, Hayes finally took matters into his own hands. On a dark night, in a wailing storm he began a desperate and daring escape to freedom... This is the astounding journey, told in Billy Hayes's own words, of those five years of living hell and of the harrowing ordeal of his time on the run.

Kate stared at the rickety wooden bridge. There were boards loose on its narrow walkway. There was no railing to hold on to. She was afraid to cross this bridge even in daylight. But she had to cross it now. She had to get to the train station in time to stop the midnight express. When a heavy storm destroyed the bridge over Honey Creek, near Kate Shelley's home in Moingona, Iowa, fifteen-year-old Kate bravely rushed out into the storm, saving the lives of two men and preventing hundreds of other lives from being lost. This is the true story of a young girl's resourcefulness and courage in the face of great danger.

An intimate memoir by the controversial and outspoken, Oscar-winning director and screenwriter about his complicated New York childhood, volunteering for combat, and his struggles and triumphs making such films as Platoon, Midnight Express, and Scarface. Before the international success of Platoon in 1986, Oliver Stone had been wounded as an infantryman in Vietnam, and spent years writing unproduced scripts while driving taxis in New York, finally venturing westward to Los Angeles and a new life. Stone, now 73, recounts those formative years with in-the-moment details of the high and low moments: We see meetings with Al Pacino over Stone's scripts for Scarface, Platoon, and Born on the Fourth of July; the harrowing demon of cocaine addiction following the failure of his first feature, The Hand (starring Michael Caine); his risky on-the-ground research of Miami drug cartels for Scarface; his stormy relationship with The Deer Hunter director Michael Cimino; the breathless hustles to finance the acclaimed and divisive Salvador; and tensions behind the scenes of his first Academy Award-winning film, Midnight Express. Chasing the Light is a true insider's look at Hollywood's years of upheaval in the 1970s and '80s.

Chronicles Davis' triumph over drug addiction, his discovery that he was HIV-positive, and the struggle to hide his condition from Hollywood

A recounting of a true story of 15 year old Kate Shelley, who in 1881 left the safety of her Iowa farm home to brave darkness, torrential downpour & a swollen river to get out word that a nearby railroad bridge had been swept away

The first true people's history of modern India, told through a seven-year, 9,000-mile journey along its many contested borders Sharing borders with six countries and spanning a geography that extends from Pakistan to Myanmar, India is the world's largest democracy and second most populous country. It is also the site of the world's biggest crisis of statelessness, as it strips citizenship from hundreds of thousands of its people—especially those living in disputed border regions. Suchitra Vijayan traveled India's vast land border to explore how these populations live, and document how even places just few miles apart can feel like entirely different countries. In this stunning work of narrative reportage--featuring over 40 original photographs--we hear from those whose stories are never told: from children playing a cricket match in no-man's-land, to an elderly man living in complete darkness after sealing off his home from the floodlit border; from a woman who fought to keep a military bunker off of her land, to those living abroad who can no longer find their family history in India. With profound empathy and a novelistic eye for detail, Vijayan brings us face to face with the brutal legacy of colonialism, state violence, and government corruption. The result is a gripping, urgent dispatch from a modern India in crisis, and the full and vivid portrait of the country we've long been missing.
