"The denial of feeling characteristic of all narcissists is most manifest in their behavior toward others. They can be ruthless, exploitative, sadistic, or destructive to another person because they are insensitive to the other's suffering or feeling. This insensitivity derives from an insensitivity to one's own feelings" (p. 49)

Lowen's book entitled Narcissism: Denial of The True Self.

### Narcissism: Denial of The True Self

Contrary to popular belief, narcissists do not love themselves, or anyone else. They are people who cannot accept their true selves, constructing instead a fixed mask that hides emotional numbness - an inability to feel.

### 9780743255431: Narcissism: Denial of the True Self ...

Narcissism is NOT the denial of the "true self". There is no "true self" in a narcissist to be denied. The "true self" is gone; destroyed at an early childhood stage. This concept is crucial to understanding why a narcissist cannot and will not stop being what they are.

Narcissism : denial of the true self (Book, 1983 ...

We have self-respect when our actions stem from principles or deep convictions rather than motives of expediency or gain. Impressing or manipulating others brings a loss of self-respect, and without self-respect, one doesn't respect others. The narcissistic person has no self-respect.” ?
