Carol Tyler has been a professional (and highly acclaimed) cartoonist for over 20 years, appearing in such venues as Weirdo, Wimmen's Comix, and Drawn & Quarterly magazine. But over the years her status as a working mother has drastically curtailed her ability to set aside time for her cartooning. Thus each rare new story from her pen has been greeted with hurrahs as well they should be, because she's one of the most skillful, caustic, and emphatic cartoon storytellers of her generation. This new book presents the biggest, richest and most delightful collection of Tyler's work to date featuring many new and previously unpublished works. p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 13.9px Arial; color: #424242}

Sam, a man who loves ships and stories, falls victim to a single, repeating nightmare that ends the same way every night; in his death at the wreck site of the Titanic. When he is sent there by his boss, he fears his fate has come to claim him. Instead he meets the ghost of a man who traveled and died that April night in 1912. Is Jeffrey all he really seems to be, and why does Sam feel so drawn to him?

IN A PLACE OF PEACEDURING A TIME OF WARTHE UNFORGIVEN WILL NOT GO FORGOTTEN.Edenville, 1940. In a rural hamlet where the majority of men are overseas to fight Hitler's Nazi war machine, someone is killing veterans of the first world war. Wartime Special Constable 'Lame' Eddie Sommers, a crippled rich boy and the butt of derision, is doing his best to fill a uniform he believes in, yet wears too large. Inexperienced and out of his depth, he turns to a former detective and veteran of the western front for assistance.Involving Marshall Geary might be his biggest mistake.Marshall wears a copper mask, as much to hide behind as to conceal his disfigurements. He struggles against howling flashbacks and the lingering stench of his own concealed crimes.In a town meant for sanctuary, repressed horrors awaken like worms in a collapsing coffin. The closer they get to the truth, the nearer everyone is dragged to their limits, their failings and their buried pasts.

"Say Not What If" is a nearly 10,000 word story written as a long rhyming poem. It is about a man on death row, and has as its theme the concept that time is our most valuable commodity. As someone once said, " waste anything but time, because we really are promised no tomorrows. " This theme is explored through the life of a man who sacrifices his marriage and everything else for his career. He realizes much too late the terrible consequences of this decision, and then desperately tries to regain those lost years by making a much worse choice. The resolution of this latter choice involves an additional examination of the concepts of accountability and responsibility, redemption, and the morality of the death penalty.The story has a better than average rating of 4/5 stars on Goodreads and Amazon. There are currently fifty-six ratings and forty-one written reviews on Goodreads at http://www.goodreads.com/book/show/12788920-say-not-what-if. Another thirteen ratings and reviews are on Amazon. Reviewers have described the story as " exceptional, " " amazing, " " incredibly special, " " borderline genius, " " a lyrical masterpiece, " " gripping and compelling, " " thought provoking, " and a " beautifully written piece of literature. " Many enjoyed the story so much that they intend to share it with their family and friends.I have never seen a story written in this format. It has characters and dialogue just like a regular story, and is extremely easy to read and understand, regardless of whether you have a GED or a PHD. You should therefore not be concerned that the format makes the story hard to understand. Many reviewers had the same initial concern, but then pleasantly discovered that the story is very easy to follow. But you can further allay any such fears by reading the first few pages of the story on my website, www.ascensionenterprise.com. This story will tear at your soul. As many of the reviewers said, it only requires an hour or so to read, but will keep you thinking about its message long after you are finished. Time is quintessentially important and valuable. Who knows how much time anyone has? Would you trade ten or even five years of your life for a million dollars?The story can be purchased from many booksellers, including Amazon and Barnes & Noble. It can also be purchased for only 0.99 as an ebook for Kindle.Best wishes and good luck in all your reading endeavors.
