~~The Civic Culture: Political Attitudes and Democracy in ...~~

A civic culture, we have argued, rests upon a set of nonpolitical attitudes and nonpolitical affiliations. Many of these attitudes that we have discussed—general attitudes toward other people, sense of social trust—have little explicit political content, and many of the affiliations we have dealt with—primary group affiliations in particular— are quite distant from the political system.

~~The Civic Culture Political Attitudes And Democracy In ...~~

Political culture Political culture may be defined as the political psychology of a country or nation (or subgroup thereof). Political culture studies attempt to uncover deep-seated, long-held values characteristic of a society or group rather than ephemeral attitudes toward specific issues that might be gathered through public-opinion surveys.
