Reading THE COLD DISH you can tell that Johnson created something really special. There's a verve to his storytelling, a great mix of grit and grins. The good news for us is that this was just the first of many: fifteen novels, a book of short stories, and three separate ebooks.

~~The Cold Dish - Craig Johnson~~

Craig Johnson ' s The Cold Dish introduces Walt Longmire, long-time sheriff of the fictional Absaroka County, Wyoming. If Walt ' s name sounds vaguely familiar, it ' s because he has a TV show named for him (Longmire, on Netflix). Some elements of The Cold Dish made it into the pilot episode, while the rest filled out the first season ' s climax. I was drawn to this book by the series, as I suspect others before me have been.

~~The Cold Dish (Walt Longmire, #1) by Craig Johnson~~

With lifelong friend Henry Standing Bear, Deputy Victoria Moretti, and a cast of characters both tragic and humorous enough to fill in the vast emptiness of the high plains, Walt Longmire attempts to see that revenge, a dish best served cold, is never served at all.

~~The Cold Dish: A Longmire Mystery: Johnson, Craig ...~~

THE COLD DISH is the first in the LONGMIRE series. It's quite a bit different than the TV series. First off, Walt is kind of a goofball, and Vic tolerates him more than respects him. That's probably not the case, but she calls him names like fat****. That would ordinarily get you fired in most sheriff's offices.

The Cold Dish Being first in the Longmire series, this book sets the stage by introducing the characters and the terrain, which serves as a character. This book may be a little too wordy even if Sheriff Longmire isn't. There are some things introduced that then fade away. (Longmire trying to get into shape, for instance.)

The new novel in Craig Johnson's beloved New York Times bestselling Longmire series. "It's the scenery—and the big guy standing in front of the scenery—that keeps us coming back to Craig Johnson's lean and leathery mysteries." —The New York Times Book Review Recovering from his harrowing experiences in Mexico, Sheriff Walt Longmire returns to Absaroka County, Wyoming, to lick his wounds and try once again to maintain justice in a place with grudges that go back generations. When a shepherd is found dead, Longmire suspects it could be suicide. But the shepherd's connection to the Extepires, a powerful family of Basque ranchers with a history of violence, leads the sheriff into an intricate investigation of a possible murder. As Walt searches for information about the shepherd, he comes across strange carvings on trees, as well as play money coupons from inside Mallo Cup candies, which he interprets as messages from his spiritual guide, Virgil White Buffalo. Longmire doesn't know how these little blue cards are appearing, but Virgil usually reaches out if a child is in danger. So when a young boy with ties to the Extepare clan arrives in town, the stakes grow even higher. Even more complicating, a renegade wolf has been haunting the Bighorn Mountains, and the townspeople are out for blood. With both a wolf and a killer on the loose, Longmire follows a twisting trail of evidence, leading to dark and shocking conclusions.

Walt Longmire faces an icy hell in this New York Times bestseller from the author of *Land of Wolves*. Well-read and world-weary, Sheriff Walt Longmire has been maintaining order in Wyoming's Absaroka County for more than thirty years, but in this riveting seventh outing, he is pushed to his limits. Raynaud Shade, an adopted Crow Indian rumored to be one of the country's most dangerous sociopaths, has just confessed to murdering a boy ten years ago and burying him deep within the Bighorn Mountains. Walt is asked to transport Shade through a blizzard to the site, but what begins as a typical criminal transport turns personal when the veteran lawman learns that he knows the dead boy's family. Guided only by Indian mysticism and a battered paperback of Dante's *Inferno*, Walt braves the icy hell of the Cloud Peak Wilderness Area, cheating death to ensure that justice--both civil and spiritual--is served.

Walt investigates a death by poison in this gripping novel from the New York Times bestselling author of *Dry Bones*, the second in the Longmire Mystery Series, the basis for the hit Netflix original series *LONGMIRE*. Craig Johnson's new novel, *Land of Wolves*, is forthcoming from Viking. Fans of Ace Atkins, Nevada Barr and Robert B. Parker will love Craig Johnson, New York Times bestselling author of *Hell Is Empty* and *As the Crow Flies*, who garnered both praise and an enthusiastic readership with his acclaimed debut novel featuring Sheriff Walt Longmire, *The Cold Dish*, the first in the Longmire Mystery Series, the basis for *LONGMIRE*, now on Netflix. Now Johnson takes us back to the rugged landscape of Absaroka County, Wyoming, for *Death Without Company*. When Mari Baroja is found poisoned at the Durant Home for Assisted Living, Sheriff Longmire is drawn into an investigation that reaches fifty years into the mysterious woman's dramatic Basque past. Aided by his friend Henry Standing Bear, Deputy Victoria Moretti, and newcomer Santiago Saizarbitoria, Sheriff Longmire must connect the specter of the past to the present to find the killer among them.

"It's the scenery—and the big guy standing in front of the scenery—that keeps us coming back to Craig Johnson's lean and leathery mysteries." —The New York Times Book Review The eighth Longmire novel from the New York Times bestselling author *Land of Wolves*. Embarking on his eighth adventure, Wyoming Sheriff Walt Longmire doesn't have time for cowboys and criminals. His daughter, Cady, is getting married in two weeks, and the wedding locale arrangements have just gone up in smoke signals. Fearing Cady's wrath, Walt and his old friend Henry Standing Bear set out for the Cheyenne Reservation to find a new site for the nuptials. But their expedition ends in horror as they witness a young Crow woman plummeting from Painted Warrior's majestic cliffs. Is it a suicide, or something more sinister? It's not Walt's turf, but he's coerced into the investigation by Lolo Long, the beautiful new tribal police chief.

A Christmas novella for fans of the hit drama series *LONGMIRE* now on Netflix and the New York Times—bestselling series. Craig Johnson's new novel, *The Western Star*, will be available from Viking in Fall 2017. Sheriff Walt Longmire is in his office reading *A Christmas Carol* when he is interrupted by a ghost of Christmas past: a young woman with a hairline scar and more than a few questions about his predecessor, Lucian Connally. With his daughter Cady and undersheriff Moretti otherwise engaged, Walt's on his own this Christmas Eve, so he agrees to help her. At the Durant Home for Assisted Living, Lucian is several tumblers into his Pappy Van Winkle's and swears he's never clapped eyes on the woman before. Disappointed, she whispers "Steamboat" and begins a story that takes them all back to Christmas Eve 1988—a story that will thrill and delight the bestselling series' devoted fans.

"It's the scenery—and the big guy standing in front of the scenery—that keeps us coming back to Craig Johnson's lean and leathery mysteries." —The New York Times Book Review The ninth Longmire book from the New York Times bestselling author of *Land of Wolves*. It's homecoming for the Durant Dogies when Cord Lyneer, a Mormon "lost boy" forced off his compound for rebellious behavior, shows up in Absaroka County. Without much guidance, divine or otherwise, Sheriff Walt Longmire, Victoria Moretti, and Henry Standing Bear search for the boy's mother and find themselves on a high-plains scavenger hunt that ends at the barbed-wire doorstep of an interstate polygamy group. Run by four-hundred-pound Roy Lyneer, Cord's father, the group is frighteningly well armed and very good at keeping secrets. Walt's got Cord locked up for his own good, but the Absaroka County jailhouse is getting crowded since the arrival of the boy's self-appointed bodyguard, a dangerously spry old man who claims to be blessed by Joseph Smith himself. As Walt, Vic, and Henry butt heads with the Lyneers, they hear whispers of Big Oil and the CIA and fear they might be dealing with a lot more than they bargained for.

Walt doubts a confession of murder in this novel from the New York Times bestselling author Wade Barsad, a man with a dubious past and a gift for making enemies, burned his wife Mary's horses in their barn; in retribution, she shot him in the head six times, or so the story goes. But Sheriff Walt Longmire doesn't believe Mary's confession and is determined to dig deeper. Unpinning his star to pose as an insurance investigator, Walt visits the Barsad ranch and discovers that everyone in town--including a beautiful Guatemalan bartender and a rancher with a taste for liquor--had a reason for wanting Wade dead.
