The Honest Spy was an Amazon recommendation that I am glad I snatched up. It is the fictionalized account of Fritz Kolbe, a German foreign office employee during WW II. Kolbe was stationed in S. Africa when hostilities in Europe broke out. He was opposed to the Nazi regime and their fanaticism when he was called back to the Fatherland.

~~The Honest Spy by Andreas Kollender - Goodreads~~

This is a fascinating fictional tale based on the activities of the very real Fritz Kolbe who, whilst working in the Third Reich's Foreign Office, operated as a spy for the American OSS, after first being turned down by Britain's MI6, passing secret information and documents to Allen Dulles, the head of the OSS office in Switzerland; some,

including Dulles, regard him as the most important spy of WWII; some regarded him as being of little value, in that he only provided information which was ...

~~The Honest Spy: Amazon.co.uk: Kollender, Andreas, Anderson ...~~

Based on this gripping true story, The Honest Spy uses Kolbe's life as the jumping-off point for the narrative, but the nature of his real-life service to the Allies is not in question. Knowing this was a real person made me all the more nervous as he risks his life over and over again to bring critical intelligence to Allen Dulles and other American diplomats.

BOOKSHELF: The hinges of history The Honest Spy. By William Tobey. Published 12 October 2020. Rolf Mowatt-Larssen's A State of Mind: Faith and the CIA offers an engaging, if eccentric, memoir from a man who battled some of America's greatest post-World War II enemies, from the Soviet Union to al-Qaida, and who also knew and worked with many of the important figures of our time.
